Abbeycentre Display

Sunday 11th September saw 26 cars turn up at the Abbeycentre despite it being a very showery day

But taking this into account there was a steady flow of members of the public admiring the cars which contained a good selection ranging from Derrick's Austin Opal through Willie's Austin A40 Somerset to Richard's Dolly

As usual everyone had prepared their cars to a very high standard and put on a great show for the club

The only negative of the day was that the Café ran out of food at lunchtime but despite this I think that everyone got enough to eat and enjoyed themselves.

At the end of the day everyone returned home faced with the task of drying their cars before putting them to bed until the next run
