

## **THE (IMAGINERY) EASTER RUN**

Morning all! It is good to see you all hale and hearty. A big turnout! Must be because it's free!

Ok, we're off.

Out of the car park heading through **Carrick**, Note the women standing at the doors with the pitch forks waiting for the men to get up so as they can make the beds. Heading on towards Larne, Keep up **Derek** and **Isobel!**

We're now driving through **Larne**....as quick as you can please! and out the Coast Road. We'll pull in here at **Ballygally** for an ice cream...not included. Cars all look good. Keep your eyes off mine **Norman**, it's not for sale!

Right! We're back on the road again, turning right after **Glenarm** heading for the **Braid**. If you see a guy wearing a 'boiler' suit and a camera in his hand, pick him up, he's one of ours. He answers to **Andy**.

Turning left into **The Halfway House** for a snack, or not. Car park is a bit small. You should have taken the Minor **Martin**... that big yoke will never fit in here.

Back on the road again turning right for **Rathkenny**, The **wind farm** is quite spectacular, don't you think? So is the view. Watch crossing the **Cushendall Road**...recovery around here isn't cheap.

This is the **City of Clough**...don't get lost! Turn left. Keep up **Derek!** A small 'catch up' on the flyover on the new dual carriageway to **Ballymoney** and beyond??

Ok, all out on the road at the same time. No dillydallying. We're on our way to **McKibben's yard**. Here it is on our left. A bit rough looking...the yard I mean **Gavin**. Doors open. There's a load a stuff in here! There are even lawnmowers...**Paul**...and a Scimitar.

Right that's it, you've seen it all. Back to the Halfway House for a slap up four course meal...steak if you prefer. Remember big spenders...it's not included. Half an hour got that by...and the Raffle...**Brian**, was the Victor....only one prize...a £150 voucher for joiner work of your choice donated by **John Frew** ... fix??

This is the end of the Run. Now you're on your own, still hungry **Brendan?**

Glad you all had a good Run and we had a good day. Next year it will be even better...I'll get some money off you. Let us know how the other Runs go folks.

James (**Run of the Year**) Mullan

Thank you James keeping us all together with your sense of fun. It would be good if any other members could think of an **IMAGINARY RUN** and send it to us by May to go into the June Newsletter for us all to enjoy, either named or anonymous. Everyone keep in touch, we are still monitoring the situation and hopeful of getting together later this year.

Take care and stay safe. Best regards

*Olivia and Andy*
